Information for Parents/Guardians

Rialto Unified School District strives to provide a powerful educational program for your child. Because technology is such an integral part of today's society, using technology during school is a critical component of your child's learning experiences. We take every precaution possible to ensure your child's safety while using these

educational tools. Please help us teach your child appropriate use of technology by discussing the information in this document and encouraging them to adhere to the rules at all times. If you or your child have any questions or concerns, please contact his/her teacher.

Home Use of the Internet for Learning

Parent involvement and supervision are critical to ensuring your child's safety on the Internet. Rialto Unified assists you in this by providing home access to resources that support your child's learning. The following are examples of the resources available at home as well as school:

Online Library Catalog: search for books in the school library by reading level or topic. Print a list to take to school the next day.

Research tools: students can research a topic using safe, educational resources provided by the District. Aca O O l vess Å a f o fi uupe
